

DRIVE-A THON

2006 Incentive Program for Sponsorships

University High School Golf Program needs funds to operate. The school district budget contributes little to the golf program and makes it the responsibility of individual schools to raise activity budgets. Painted Hills Golf Course, while not a public course, has supported the U_High Boys and Girls programs in a very generous manner over the last 12 years. The convenience of Painted Hills gives our young golfers a terrific opportunity to develop their golfing skills. The county courses (Liberty Lake and Meadow Wood) do provide free practice play, which the golf team takes full advantage of. All GSL league matches are free of charge.

Beyond the Greater Spokane League (GSL) Boys and Girls golf schedule, the coaches at U-High elect to take their teams out of the area at times, to experience other courses and additional competition.

The Drive-a Thon is our fund raiser used for travel, competition, and teaching tools, and to pay for range and playing time at Painted Hills Golf Course. A Drive-aThon is your pledge to your golfer, based on his longest drive (date to be determined). A flat amount is also welcome. If you son/daughter has a minimum of \$150 in sponsorships brought in, they will receive a golf pass at Painted Hills more than \$200 and they receive the pass, and a golf and turtle neck shirt.

\$150 **\$200**
pass **pass**
 shirt

The player who turns in the most money will travel on one of our over night trips and compete in the qualifying round for a chance to play in the tournament.

The money turned in by Friday, March 24th, 5:00pm, will determine the winners of the prizes.

Your pledge and or sponsorship are greatly appreciated!!!!!!

Joe Turman
Boys Golf Coach
University High School
